### Description

House File 2045 requires the Department of Natural Resources to develop a pilot project for the collection and recycling of used motor oil filters and specifies at least four counties but not more than 10 participate. The Bill further requires that a planning report is delivered to the Environmental Protection Commission by January 1, 2003, and the project will be implemented by September 1, 2003.

### Assumptions

1. The counties selected for the pilot project will provide the site and staff for the collection of used motor oil filters.
2. The staff will report the results of the pilot project to the Department of Natural Resources.
3. Project funding will be a State responsibility.
4. The Department of Natural Resources will make recommendations for implementing a Statewide project for recycling used motor oil filters.

### Fiscal Impact

The estimated fiscal impact of House File 2045 is an increase in General Fund expenditures of \$311,000 for FY 2003 and \$280,000 for FY 2004.

<u>Department of Natural Resources (DNR)</u>	<u>FY 2003</u>	<u>FY 2004</u>
Salaries	\$ 11,000	\$ 5,000
Transporting and Processing Filters	270,000	270,000
Educational Program	30,000	5,000
Total DNR	<u>\$ 311,000</u>	<u>\$ 280,000</u>

The county will provide staff to collect used motor oil filters. Due to insufficient information, the fiscal impact cannot be determined.
